RSVP Movies case study

Summary of the latest trends in the film industry

Submission by

Agam Bhatnagar

Adrish Ray

Afzal Ahmad

Summary

- The majority of movies were produced in March, with September and October closely trailing behind.
- The majority of movies were produced in the Drama, Comedy, and Thriller genres, with Drama leading the way with a total of 4,285 movies produced. RSVP Movies has the capacity to create a movie within the Drama genre.
- Dream Warrior Pictures and National Theatre Live have emerged as leading producers of hit movies. RSVP Movies may consider exploring a potential partnership with one of these production houses for their upcoming project.
- Star Cinema is among the top production houses producing films that are released in multiple languages

DREAM WARRIOR PICTURES

Summary

- Mammooty holds the top position among actors, closely followed by Mohanlal. Considering either of these actors for the next film could potentially draw a larger Indian audience.
- James Mangold secures the top position among directors closely followed by Soubin Shahir, Joe Russo, and Anthony Russo. RSVP should try to appoint one of them to direct their next movie.
- When discussing worldwide production houses, Marvel Studios played a remarkable role in the years 2017, 2018, and 2019, accumulating a total of 2,656,967 votes.
- A.L Vijay is the only Indian among the Top 9 directors and has the highest max rating of 6.9

Summary

- Vijay Sethupati asserts his dominance in the Indian cinema scene with an impressive average rating of 8.42. RSVP movies might want to cast this actor to get a regional feel.
- In India, Taapsee Pannu holds the top position with an impressive average rating of 7.74 in the Hindi language. She is closely followed by actresses Divya Dutta, Kriti Kharbanda, and Sonakshi Sinha.
- Sangeetha Bhat secures the top position among actresses with an outstanding average rating of 9.60 in the drama genre. Following closely are Fatmire Sahiti, Adriana Matoshi, Mahie Gill, and Pranati Rai Prakash, all achieving superhit ratings.
